2. A Stud prefix must be registered with the Society and be included in the pony's name. The maximum length for the prefix is 17 letters (including spaces) and for the pony's name (including prefix) is 30 letters (including spaces, punctuation, etc).
3. The owner MUST be a financial member of the Australian Miniature Pony Society Inc.
4. Ponies must not exhibit any condition shown in the Rules & Regulations of the Society to be grounds for disqualification.
5. All ponies are to be measured by an Official Measurer of the Society on application for Adult registration or Appendix Recording and again at 4 years of age (and before 5 years). Any pony measuring 85.5cm or more at 4 or (Appendix Recorded Mare measuring 89.5cm or more at age 4) is to be remeasured at age 6 years (and before 7 years). For 4 year heights (and 6 year height, where relevant) the Adult Registration / Appendix Recording Certificate and Height Certificate from Official Measurer is to be forwarded to the Society's Secretary for endorsement of height. The application must include the names and ages of the ponies to be measured. If the Secretary is satisfied that an Official Measurer is not available, approval can be given. PLEASE NOTE that such an approval is not a blanket approval to use a vet, etc. and approval must be sought for each pony as the need arises.
